

Ladies Auxiliary VFW
Department of Illinois

ON LINE REPORTING NOW AVAILABLE

We are pleased to announce that you may now report online in most cases. There are some programs that require proof of activities to be sent so they are NOT reportable online. See the web page for details.

We also ask that you enter reports for your Auxiliary only. We understand that all people do not have internet access so we have added a place for the person filling out the report as well as the chairman's name. Please DO NOT leave important information blank. You must fill out the top of the form in its entirety (i.e. Auxiliary #, District, Name, Address, etc.). When entering numeric amounts, do not enter dollar signs or commas. Also, please include the EMAIL address of the person filling out the report so if further information is needed we can email you and ask for it. We are fairly certain that IF you have internet access, you have an email address.

If you notice something that is not quite right, please let the webmaster know. This is the first time for this and we know that we will have to correct some details to make it right. Thank you for your patience in this learning time.
