Our challenge for 2008-2009 is to extend a helping hand to each and every member and prospective member in Illinois. We can accomplish this goal by:

- Being kind and courteous to all members
- Share program knowledge with sisters and encourage them to become involved
- Assign mentors to new members
- Contact previous members for reinstatement – persuade them to return
- Conduct Membership Drives at local malls or fairs.
- Attend District meetings as each meeting is a School of Instructions
- Contact District Deputy Chief of Staff if problems arise
- Newsletters and articles in local papers

Each of us joined under the eligibility of a veteran who served his country, now we can honor them by continuing the great work of our organization. As we begin our year of Together We Can Achieve the Extraordinary I encourage you to review the Bylaws of the Ladies Auxiliary as this is our guide for a successful year.

Each Auxiliary President received a 2008-2009 program book; I encourage you to make copies for your chairman as this information will assist in a successful year.

My hand is extended and I look forward to working with you this year. If I can be of any assistance please let me know as I want to ensure that all Our Dreams Become Rainbows.
