I would like to congratulate ASHLYN LEE from #1303 Rock Island for doing a great job representing our Jr. Girls Unit for Illinois during 2007-2008. Congratulations to JAHNA MEINTS #886 Pontiac for the Honor to represent our Jr. Girls Unit in 2008-2009. I know you will have a successful year. Congratulation to OUTSTANDING JR UNIT for 2007-2008 #886 PONTIAC for all your hard work and donations.

This is the start of a New Year. If your Auxiliary has a Junior Girls Unit, give them guidance. Not only by having them help the Ladies Auxiliary and Post with activities but by standing behind the Junior Unit and supporting them in their programs and Activities. If you don't have a Jr. Unit, consider starting one. You need 10 girls -ages 5 thru 16 and an Auxiliary Member willing to be the Chairman. Please contact me for the information to start a Unit. I will be happy to help you start a Unit. Remember the JR. GIRLS are our FUTURE LADIES AUXILIARY.

It is a horrible thought, but remember, the Jr. Girls are now eligible for Cancer Grants. Please see your Auxiliary President for information and the cancer grant form.

Just remember these young ladies can be a big help to the Post and Ladies Auxiliary

- Marching in parades
- Helping with special dinners and events
- Volunteering in Nursing Homes and VA Hospitals
- Fund raisers for Cancer Aid & Research & Operation Up Link
- Buddy Poppy Drive
- Community Service

They are always willing to help! If the Jr. Unit Chairman needs help, please offer to give her a helping hand.

Our Department President Jan says "TOGETHER WE CAN ACHIEVE THE EXTRAORDINARY". This we can also do with our JUNIOR UNITS.
