Life Membership's make wonderful gifts. In the past Auxiliaries have purchased a Life Membership for the out going Auxiliary President as a token of appreciation for the year served; others reward their workers and volunteers with Life Memberships as a thank you for the hours served. VFW Members have purchased Life Membership for their mother, wife or daughter as a stocking stuffer, birthday gift or just because.

If you have questions: Regarding the payment plan for your Auxiliary Sisters to purchase a Life Membership...if you have any questions, please contact Doris Hays, Department Treasurer, or Terry Ann Calabrese, 2009 Department Membership Chairman.
